I am a multidisciplinary lens based artist working across photography, printmaking and zines. My practice concerns themes of grief, loss and longing. I have exhibited internationally, and have shown my work in festivals throughout Europe including Les Rencontres D'Arles, Festival Circulations Paris, Brighton Photo Fringe, Peckham 24, Pic London, Belfast Photo, Lodz Fotofestiwal and Fiera del Libro de Fotografia de Lisboa.

My zines are held in libraries and numerous collections including Self Publish Be Happy Library and the Martin Parr Foundation.

I was selected for Gup Magazines Fresh Eye Photobook 2019 as one of Europe's top 100 emerging photographers.. In July 2020 I graduated from Camberwell UAL with a Distinction in MA Printing and I was awarded the Bainbridge Studio Prize.
